EXPERIENCE

Node Odyssey Pvt. Ltd. 2023 – Present

UI/UX Designer | Product Designer • Guwahati, Assam, India

- Designed UI/UX across industrial, enterprise, and consumer platforms - including a Windows-based factory monitoring system, a customized ERP for employee and payroll management, and a B2C gym management app (web & mobile) etc.
- Created structured layouts and intuitive workflows tailored to each domain - calibration/diagnostics dashboards, HR and payroll processes, and membership/booking/payment flows.
- Collaborated closely with developers and stakeholders across all projects to ensure smooth implementation, feature rollout, and consistent cross-platform experience.

Arohan Foods Pvt. Ltd. 2022 – 2023

Assistant Project Manager• Guwahati, Assam, India

- Coordinated and designed projects under MoMSME's SFURTI Scheme.
- Worked on Detailed Project Reports (DPR), business plans, market demand analysis, and value chain mapping.

Shivanjali NGO Dec 2021 – Jan 2022

Graphic Design Intern • Remote

- Designed social media creatives for awareness campaigns and community initiatives.
- Created website graphics and digital assets to support online presence.
